General Meeting: Researching Religious and Church Records

With: Lisa Gorrell

Census and court records are great places to look when researching your family, but don't forget to check church records, too – even if you think your ancestor did not attend church. Church records can be a rich source of information about family members, providing names, dates and relationships, and many records from churches and religious organizations predate civil records.

Gorrell has been researching family histories for more than 30 years. She is a certified genealogist; a graduate of the ProGen program and an alumna of many genealogical institutes. Her areas of expertise include southern states and Texas; California, Montana, and Oregon; 18th and 19th-century German research; and 18th and 19th-century Swedish research. Gorrell has served on boards of several genealogical societies and volunteers at the Contra Costa County Historical Society archives in Martinez.

She is also a founding member and instructor of the new online Applied Genealogy Institute (<https://appliedgen.institute>) and writes about her family on two blogs: "Mam-ma's Southern Family" (<http://mam-massouthernfamily.blogspot.com/>) and "My Trails into the Past" (<http://mytrailsintothepast.blogspot.com/>). . She has also written a three-generation family history about her husband's Swedish ancestors.

Board Meeting Summary

May 28, 2024 Board Meeting Summary

- *Two key Board Members are retiring this year after many years of dedicated service to L-AGS. Retirees are Duncan Tanner, Business Manager, and Patrick Lofft, Roots Tracer Editor. Anyone interested in either position should contact Julie Liu. This would be an excellent time to "shadow" Duncan or Patrick for the rest of the year to become familiar with the position.*
- *The Board has scheduled an additional Heritage Happening-like event at the Livermore Library on June 25 from 2:00 – 5:00 pm. More volunteers would be helpful to make this a successful public event.*
